Read the following:

From the Director of Animal Husbandry, C.No. 6945 II/50 dated 29.9-50.

ORDER:

The Director of Animal Husbandry has proposed that the Districts of Bellary, Anantahpur, Chittor, Salem and South Kanara which border the Mysore State and which contain the important cattle routes from Mysore should be strengthened by the opening of an additional Touring Billet (Minor Veterinary Dispensary) in each of them so that the out-break of cattle diseases particularly rinderpest, mainly due to the ingress of cattle from the Mysore State may be effectively checked. The Government accept the proposal and sanction the opening of a Touring Billet (Minor Veterinary Dispensary) in each of the above five districts for a period of three years, at a cost not exceeding Rs.75,000/- (Rupees Seventy five thousand only) as detailed in the annexure.

2. Sanction is also accorded to the employment of a Veterinary Assistant Surgeon on Rs.120-250 per mensem and a peon on Rs.18-25 per mensem in each of the above Touring Billets for a period of three years from the date of employment.

3. The exact places at ~~xxxx~~ which the Touring Billets should function will be decided by the Director of Animal Husbandry with reference to the local needs, proximity ~~xx~~ of cattle routes etc. This will form a part of Post War Scheme No.61 which envisages the opening of a Touring Billet in each taluk.

4. The expenditure should be debited to "41. Veterinary lr0. Subordinate Establishment-B. Post War Reconstruction-I Ordinary Areas".
